Re: Hillcrest Park Soccer Field-Parking

We have been contacted by the Township about concerns with parking at the Hillcrest park Site (please see attached). While I understand that there are challenges with the amount of available parking near the site I would ask if you could please make an effort to avoid using any of the no parking zones identified. It is important for us to try and work with all the people and groups in our area so that we can all enjoy the benefits of our community programs.

Thanking you in advance for your anticipated co operation.

Yours in Soccer
