

Referee Payment Matrix

Below is the list of the Referee Payment info for all SSU teams. At the beginning of the season each Coach will receive a **cheque made payable directly to them for the entire season's referee fees.** *(Not Applicable for U8, U10/12 Recreational. *Possibly not applicable in some Development/Competitive age groups also)*

*Coaches/Managers pay for only the officials present at the game. All excess referee fees for games that were unused and/or did not have a referee or AR('s) present are to be returned to the SSU office prior to the end of the season. If a game is not started for any reason the referees are not paid. If the game has been started, the referees are entitled to their full fees regardless of the quantity of time that was played.

*Please track the referee payments made on the Referee Disbursement Log. All referee fees are to be paid at the field in cash (Correct change needed) before the start of the game. Please report any problems to the SSU office immediately. *(*Processes could change from year to year or league to league, so please make yourself aware of them at the beginning of the season)*

Please check out the website of the league you are participating, to determine who pays what with regards to refs each game and their processes before the season starts. The two leagues SSU's teams play in are below:
